Please review these notes with the Lectors and Eucharistic Ministers EACH weekEND:

Please remind Lectors at 10:00 AM Mass that they need to come up on the Altar **together** before the First Readings. After the Second Reading then they leave the Altar together. The Eucharistic Ministers are to come to the front of the church when the “Lamb of God...”

prayer is being recited; not after this prayer..

Remind the Eucharistic Ministers if they have Blood left in their cups they are to consume it **by the Altar** before they go back to the Sacristy. If they cannot consume the Blood they are to cover the cup with their purificator and take it back in the Sacristy.

Father Joe will consume the extra Blood and purify the cups.

Eucharistic Ministers are not to rinse out the empty cups. **They are to lay the used purificator beside the cup not inside the cup.** Father Joe will purify the cups after Mass.

Father Joe has asked us to remind him to purify the cups after Mass.

SACRISTANS: Please call if you need a sub. Thank You
