Stewardship as a Way of Life:

“Everyone who drinks this water will be thirsty again.” John 4:13

Jesus reminds us that material things, even something as basic as water, can never satisfy us over the long run. When we build our lives around material possessions we will always want more, and no amount will ever satisfy our desire. True joy and peace only come when we follow Jesus - when we become more “God-centered” and less “self-centered.”

REVEAL Christ's LOVE

Around noon on April 25, 2015, a powerful 7.8 magnitude earthquake struck Nepal. Strong aftershocks continued for days afterward. Not only did about 9,000 people lose their lives, but 23,000 others were injured, and more than 750,000 homes were destroyed or damaged. Families displaced by the disaster suffered the loss of loved ones and homes. They also confronted the poverty of lost livelihoods.

A grandmother named KunMaya not only lost her home but also suffered the loss of her son. For more than eight years following the earthquake, she and her husband lived in a temporary wooden shelter that offered little protection against weather. Catholic Relief Services (CRS), working with local partners, assisted KunMaya and more than 6,200 other families affected by the earthquake through the Resilient Communities through Vulnerable Earthquake Recovery (ReCoVER) project. Through this program, CRS-trained masons built an earthquake-resilient home for KunMaya and her husband. At the same time, ReCoVER offered KunMaya training in raising poultry and managing financial savings—training that helped her establish a growing poultry business that has allowed her to sustain her family while also saving and building for the future.

CRS relies on the support it receives through The Catholic Relief Services Collection to reveal Christ's love to victims of wars and natural disasters throughout the world. CRS carries out this work in ways that address immediate needs and provide long-term solutions to help build a stable, hopeful future.

Your donations help our brothers and sisters through grants to these agencies:
