Construction Update: The gym flooring has been delayed into October at this time. The crews are working on cosmetic repair to some of the block in the gym, so it was decided to delay the flooring until that is complete so we don't harm the new flooring. Landscaping will begin in the near future, possibly even this week. Detail work on the inside is happening and the key card system is nearly up and running. We are currently getting our storage spaces and library set up in the new building as well.

Stewardship as a Way of Life:

"My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established..." (Luke 16:25-26).

When God created the world, He declared that it was good and He gave it to all humankind for us to enjoy. However, over the years, we have created a chasm between those who have great gifts and those who do not. In today's Gospel we see that with our own generosity we must bridge that gap between those who have much and those who have little.
