

St. Henry's Parishioners and Leadership Team:

I want to express my sincere gratitude to you for giving me the opportunity to serve here as parish administrator for the past 8+ years. This job has been a joy and a privilege that I will cherish for years to come. I have enjoyed working to help keep this parish moving forward in a positive direction and working with all of you on a day-to-day basis. The other day I was reminiscing about all the projects that we have accomplished together as a community from when I started back in 2013. This parish has been amazing to work with because there have been so many things that we have accomplished, just look in the wish book in the back of church. One of those projects, though, includes the New School project. This has been a long road, with many battles fought along the way, but, with God's help, we have come this far and seeing the beginning of construction sure makes all the effort that has gone into it by everyone sure makes it seem worthwhile. Please do your part to keep it moving forward. We are still in need of approximately \$750,000 to complete the project. Please get behind Fr. George and help him raise the money to complete the campaign to build the New Area Catholic School so the school can begin operations debt free and be there for the community for the next hundred years.

My hope is to continue serving as a permanent deacon here in the Northern Cross ACC for the near future. I will begin my new adventure, serving as the new Business Manager for the Mary, Mother of Church ACC over in the Wadena, Staples, and Motley area on September 1, 2021. I will be working with Fr. Aaron Kuhn and Fr. Gabriel Walz, trying to help organize and facilitate the 8-parish cluster they are a part of. Please pray for Janel and me, as we enter a new chapter in our lives and know that all of you are in our prayers. May God Bless all of you!

Deacon Randy
