Stewardship as a Way of Life:

"Rather, when you hold a banquet, invite the poor, the crippled, the lame, the blind; blessed indeed will you be because of their inability to repay you." Luke 14:13-14

One of the main principles of living a stewardship lifestyle is to give without expecting anything in return. This is difficult for some to comprehend in our "consumerist" culture that we live in. This is even difficult for many parish communities that have become heavily dependent on parish fundraising events to support the mission and ministry of their local parish. Generally speaking, at a parish fundraiser, you pay money and receive something in return, it's just a financial transaction. This is opposed to our parish offertory at Holy Mass, where you unite your sacrifice with Jesus', renewing our covenant relationship with Him.
